

トラディショナルおりがみ Traditional Origami

Springfrosch - Hane-Kaeru

Material: Origami Papier 20 x 20 cm

Damit der Frosch auch springt, muss das Papier richtig herum gefaltet werden!! Dazu legt man das Papier über die Fingerkuppen. Drehen, bis sich das Papier rechts und links der Hand herunterbiegt. Die Richtung wie es zum Falten vor einem liegt, ist dann wie folgt:

1.

2.

3. wieder entfalten
